Does exactly what it says on the tin!  
We can set up just about anywhere!  
Pool-side, roadside, mountain top – you name it and we can set up an awesome bar for you and your guests, quicker than you can make our cocktail of the month! OK, not that quick, but quick enough to meet any last minute demands.

### COCKTAIL & LOUNGE FURNITURE

Need a seat or two? Well then, grab a chair! We know that sometimes you just won't have enough seats for the party you're throwing. And when that happens, we've got just what you need – quality furniture that you can hire directly from us. We'll bring it and set it all up, and we'll also clear it up before you wake up in the morning, so Hey Presto! Your place is just the way it was before the party! (shame hangovers aren't as easy to deal with).

“Take time to  
relax & chill”

## ALCOHOL & BEVERAGES

Need a drink? A few perhaps? Well, what good are we if we can't get you your drinks, really? Let us know what you want served at the bar, and we'll bring it all – wines, beers, gins, tonics, whiskeys, the whole lot. Why stress when we can sort it all for you! And the best bit... You only pay for what you consume. No excess... And no trace... (we were considering calling this section 'Secret Service' as there's no evidence after you're done!)

perfection
